Tour Highlights

High value tours, activities & attractions

The Western Wall Tunnel

"The excavation took over 20 years under very difficult conditions while archeological finds that can only be described as 'awesome' were uncovered. The Western Wall Heritage Foundation was assigned the task of continuing this project and bringing it to the world. With painstaking care, taking various religious, tourist, archeological, security and other considerations into account, and with Halachic (religious law) and scientific oversight, the Foundation continued with the excavation project, centimeter by centimeter, in order to uncover Jerusalem in all its former glory. Beautiful ornaments were found – archeological finds that were hugely important in understanding the city's history. And a "time tunnel" was created taking us back into Jerusalem's glory days."

Tour of Ancient Shiloh

This is the place where, starting from the time when Joshua Ben Nun led the Jewish People, the Tabernacle stood for 369 years; the place where the tribal inheritances were divided among the tribes. Here the Tu b'Av festival of love celebrations took place, and the tribes were reunited. Here is where Elkana came, "to worship and offer sacrifices to God in Shiloh," and this is where Hannah prayed for a son. Her prayer was answered. Samuel was born and Hannah brought him here, where he grew up to be a prophet and a leader. Shiloh was also the home of Ahijah the Shilonite, who prophesied to Jeroboam the son of Nebat, about the division of the kingdom of the House of David after King Solomon's reign, and about the exile of the Ten Tribes of Israel.

Masada

"Masada is a rugged natural fortress, of majestic beauty, in the Judean Desert overlooking the Dead Sea. It is a symbol of the ancient kingdom of Israel, its violent destruction and the last stand of Jewish patriots in the face of the Roman army, in 73 A.D. It was built as a palace complex, in the classic style of the early Roman Empire, by Herod the Great, King of Judaea, (reigned 37 - 4 B.C.). The camps, fortifications and attack ramp that encircle the monument constitute the most complete Roman siege works surviving to the present day." <https://whc.unesco.org/en/licenses/6>

Petra

The ancient city of Petra is one of Jordan's national treasures and by far its best known tourist attraction. Petra is the legacy of the Nabataeans, an industrious Arab people who settled in southern Jordan more than 2,000 years ago. Admired then for its refined culture, massive architecture and ingenious complex of dams and water channels, Petra is a UNESCO World Heritages Site and one of the new Seven Wonders of the World. Inhabited by the Nabateans, Edomites and Romans, Petra brought together the knowledge and skill of these civilizations to create this world wonder. Caravans laden with incense, silks, spices and other exotic goods would rest at Petra.
