Petra

The ancient city of Petra is one of Jordan's national treasures and by far its best known tourist attraction. Petra is the legacy of the Nabataeans, an industrious Arab people who settled in southern Jordan more than 2,000 years ago. Admired then for its refined culture, massive architecture and ingenious complex of dams and water channels, Petra is a UNESCO World Heritages Site and one of the new Seven Wonders of the World. Inhabited by the Nabateans, Edomites and Romans, Petra brought together the knowledge and skill of these civilizations to create this world wonder. Caravans laden with incense, silks, spices and other exotic goods would rest at Petra.

Magdala

"As archaeologists continued to dig, they discovered an entire first century Jewish town lying just below the surface. With only 10% of the archaeology uncovered, the hometown of Mary Magdalene already provides pilgrims an authentic location to walk where Jesus taught and to connect with the first century life of Jesus' followers. Magdala is a unique Holy Land site with a first century city where the Jewish residents gathered in a synagogue where Jesus visited and taught."

Nazareth Village

"Set on the outskirts of old Nazareth, the Nazareth Village is built on ancient agricultural land that boasts the area's last remaining first-century wine press. The original farm has been restored with its ancient wine press, terraces, irrigation system and stone quarry, and exact replicas of first-century houses, a synagogue, a watchtower, mikveh and olive presses have been carefully constructed using the original building methods and materials."
